

We provide a safe river experience for beginner paddlers who have passed our basic flat-water proficiency test and would like to try take their paddling to the next level:

Week 1 - Emmarentia Dam – 2 hours [R350]

Basic paddling technique – video and advice
Basic flat-water proficiency- including swimming assessment
Basic river safety course (theory)
River canoeing drills (performed on the dam)

Week 2 - Klip River (total of 6 hours including travel) [R800]

Organised trip to Klip River
Transport provided (cars left with at Emmarentia Dam – security guard provides)
Done in Groups of max 12 paddlers.

Week 3 – Liebenbergsvlei River – two days (Weekend) [XXXXXX]

Organised trip to the Liebenbergsvlaie River (Reitz)
Weekend at Reitz accommodation
Transport provided (cars left with at Emmarentia Dam – security guard provides???)
Done in Groups of max 12 paddlers.

NOTE

Paddlers can take 3 week package at a 20% discount (i.e. RXXXXXX less 20% = XXXX)???
Paddlers can take the modules separately and can pay for specific modules so long as the Week 1 has been completed and Paddler signed off as “river ready” (i.e. can do 2nd or 3rd module at a later stage)

We also provide the following:

Two safety marshals that accompany paddlers at all times on the river
River paddling advice and safety – on river itself
Snacks + Lunch + refreshments equipment / Specialised safety canoes (“sit on top”K2 canoes)
life-jacket / paddles
